## SURROUNDED BY MYSTERY!

### A Great Mistake.

A recent discovery is that headache, dizziness, dullness, confusion of the mind, etc., are due to derangement of the nerve centers which supply the brain with nerve force. That indigestion, dyspepsia, neuralgia, wind in stomach, etc., arise from the derangement of the nerve centers supplying these organs with nerve fluid or force. This is likewise true of many diseases of the heart and lungs. The nerve system is like a telegraph system, as will be seen by the accompanying cut. The little white lines are the nerves which convey the nerve force from the nerve centers to every part of the body. Just as the electric current is conveyed along the telegraph wires to every station, large or small. Ordinary physicians fail to regard this fact. Instead of treating the nerve centers for the cause of the disorder, they treat the part affected.

Franklin Miles, M. D., L. L. B., the highly celebrated specialist and student of nervous diseases, and author of many noted treatises on the latter subject, long since realized the truth of the first statement, and his Restorative Nervine is prepared on that principle. Its success in curing all diseases arising from derangement of the nervous system is wonderful, as the thousands of unsolicited testimonials in possession of the company manufacturing the remedy amply prove.

Dr. Miles' Restorative Nervine is a reliable remedy for all nervous diseases, such as headache, nervous debility, prostration, sleeplessness, dizziness, hysteria, sexual debility, etc. Virus disease, epilepsy, etc. It is sold by all druggists on a positive guarantee, or sent direct by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, \$1 per bottle, six bottles for \$5, express prepaid.

## PLATFORM AND RESOLUTIONS.

Of the Silver Party of Ormsby County, adopted in convention held at Carson City, Nev. September 25, 1894.

Resolved, That the Silver Party of Ormsby County endorse each and every plank of the platform accepted by the Silver Party of Nevada in the State Convention held at Carson Sep. 4, 1894.

That it congratulates the voters and taxpayers of Ormsby county upon the faithful and efficient manner in which the nominees of 1892 have performed the duties of their respective offices, thereby enabling the Silver Party of Ormsby to keep every pledge made to the people of the county in its party platform prior to election.

Since the accession of the party to the management of county affairs there have been no official scandals and no investigations by Grand Jurors, while the letting of fraudulent contracts in the interest of county officials has been wholly done away with.

Each department of the County Government has been honestly and economically managed, with an actual saving to the taxpayers of nearly \$10,000 per annum for the past two years.

Under these circumstances the Silver Party of Ormsby feel justified in again demanding the support of the voters and taxpayers of the county at the forth-coming election.

Resolved, That this Party unqualifiedly indorses the action of Hon. John P. Jones in withdrawing from a party who, while professing to be the friend of Silver in its State platforms, has persistently caused its Representatives in Congress to bow to the mandates of Wall Street.

This Convention denounces as ill-timed, insulting and inconsistent, the demand for his resignation by the Republican State Central committee of Nevada, who by their illogical and impertinent demands for the withdrawal from the Senate of the United States of a man recognized in both continents as one of the leading silver exponents of the World, have torn aside the miserable mask of monometallism that has so long covered the face of the Republican party of Nevada.

Resolved, That should a vacancy occur in the office of the U. S. Senator from this State which would be necessary to fill at the next meeting of the Legislature, that the vote of the Legislative nominees of this convention is hereby pledged to the Hon. John P. Jones, to fill the unexpired term.

That we endorse the able and conscientious efforts of Senator Stewart and Congressman Newlands in behalf of the white metal in congress.
